

CONGRATULATIONS TO OUR NEWEST ALUMNI

ELI

Eli has the best smile ever! He came to Nick's Place in August of 2021 and stayed for over 8 months, and is approaching a year in recovery! He started a new job while living with us and continues to be a valuable employee. Eli is a talented musician and plays the guitar and bass. He loves to cook, and has baked lots of goodies, yum! Eli continues to come back to Nick's Place to support our current residents. We miss you Eli but we will see you when you celebrate ONE YEAR of recovery on August 19th.

CHRIS

Chris has a great sense of humor! He arrived at Nick's Place in September of 2021 and stayed with us for over 8 months. Chris will be starting a position in a new career working with other young men in long term recovery. Chris enjoys going to concerts, is active in his recovery, and continues to show up for Our Guys. Chris has a great network of good friends and we can't wait to help him celebrate one year of recovery on August 12th. Keep coming back, we need you Chris!

JAMES

James has a heart of gold! He arrived in August of 2021, and will celebrate ONE YEAR in recovery on July 22nd. He just started a new job, and he is committed to creating a career for himself. He is very involved with his family, especially his daughter, and has another child on the way! James is active in his recovery service, and is always one of the first guys to offer help to others. James has made plans to move out to be closer to family and spend more time with his daughter. We will miss you James!

Graduation dinners are a great way for our guys to start the next phase in their journey!

Staff, residents, alumni and friends show up to share dinner, cake, stories, and lot of laughter with our graduates as we celebrate their time with us. These moments are never really a farewell dinner as all of our guys are part of the Nick's Place family forever.
